

Madden 21 League

Season 3

1. Entry Fee \$10. \$7 goes toward prize pool, \$3 goes to the fundraiser for Diamond City Sports.
2. Pay out is, to the nearest dollar, $\frac{2}{3}$ to the winner and $\frac{1}{3}$ to the runner-up.
3. Games will be played on All-Pro, Competitive.
4. Coaching firing on; fire your coach and create yourself as coach.
5. Pre-season will be simulated to Week 4 followed by a 16-game regular season schedule. Some games will be player VS. player, some will be player VS. CPU, based upon the schedule generated by the game.
6. Trade limit of two (2) per season with CPU, as many as you want amongst each other. Each season is considered pre-season, season, free agency, and draft in that order.
7. 48-hour window to play your scheduled game.
 - a. Set time to advance will be at 11 P.M., unless otherwise noted, and reiterated in chat
 - b. Either against the CPU or another person.
 - c. If time is agreed in group chat and then someone backs out and the game is not played during the 48 hour window, the team that backed out gets a loss.
 - d. If both teams cannot make it work in the window, it will be a fair sim.
8. Internet issues
 - a. If you are kicked offline due to Internet issues, a picture must be taken of the disconnect and sent in the group chat as proof.
 - b. If a game is disconnected with four minutes or less and a team is up by 14 points or more, that team gets the simulated win unless the winning team would like to replay the game.
9. Games will be 8-minute quarters with the accelerated clock turned off.
10. 4th down you are allowed to attempt a 4th down conversion only if:
 - a. you are in the opponent's territory and the yards to go are three (3) yards or less OR
 - b. you are down by 20 or more in the second half OR
 - c. you are losing in the 4th quarter OR
 - d. there are two minutes or less remaining in either half, or overtime.

You must punt or attempt a field goal if these criteria are not met. Fake punts and fake field goals are allowed at any time.
12. Changing a players position must be in reason such as:
 - a. RB to FB or WR or vice versa
 - b. QB to RB or WR or vice versa
 - c. WR to RB or TE or vice versa
 - d. O-Line to D-Line or vice versa
 - e. LB to D-Line or DB or vice versa

You can not make an O-Line or D-Line a WR, RB, or FB.
13. Game Play
 - a. If a team is up by more than 28 points, they are to substitute in back-ups at all skill positions (QB, RB, WR, TE)
 - b. Switch up play on Offense and Defense
 - i. No Huddles can only be run twice in a row unless inside two minutes in either half.
 - ii. The same play cannot be run more than twice in a row.
 - iii. No plays identified as YouTube glitch plays can be used at any time.
14. Teams
 - a. You must stay with the team you selected unless fired.
 - b. Users may only switch teams after their contract expires or they are fired. Resignation from a team is resignation from the league.
 - c. If a user does not respond to requests to play for two games in a row, they will be automatically removed from the league.
15. Rules Violations
 - a. first time warning
 - b. second time lower best player overall average by five points
 - c. third time lower three (3) of that team's best players overall average by five points
 - e. fourth time lower five (5) of that team's best players overall average by five points
 - f. after five (5) infractions, violator is removed from the league without refund

Anything not specifically outlined will be handled on a case-by-case basis by the league commissioners, Nick Budzyn, Anthony Mercadante and Kevin Sickle.
